

Compliance Statement

Ocean2earth Australia Pty Ltd hereby certify that all requirements set out in the *Ocean2earth Compost Order 2021* have been met in producing this compost.

- The consumer must incorporate 0.5-1kg of Ocean2earth compost for every 1m² of topsoil at the time of land application.
- The consumer must avoid the generation, and prevent the migration, of leachate from the land application of Ocean2earth compost.
- Land application of Ocean2earth compost must occur within a reasonable period of time after its receipt.
- The consumer must not allow Ocean2earth compost to be fed or come into contact with pigs or ruminants in accordance with clauses 37 and 38 of the Biosecurity Regulation 2017.
