

# POISON

KEEP OUT OF REACH OF CHILDREN  
READ SAFETY DIRECTIONS BEFORE OPENING OR USING

## Trace Plus™

(0-0-0-6)

Contains: Blend of Inorganic and Organic Acids, balance of ingredients determined to be Non-Hazardous

# 1000L

Net Contents

**Easy to apply with rapid absorption these balanced micronutrients effectively supplement your overall nutrient program.**

Trace Elements (micronutrients) play a crucial role in soil fertility and plant health. They are essential for plant growth by stimulating enzymes, photosynthesis, Nitrogen fixation and protein synthesis. Soil microbes require Trace Elements to perform functions like producing organic matter and carbon.

This powerful mix is fortified with Fish Hydrolysate, Kelp and Fulvic Acids to assist with absorption but also to significantly stimulate and feed soil biology. Foliar application allows the plant to bypass soil concerns such as poor pH or high Iron or Aluminium.

### Benefits

-  **Full trace range of Molybdenum, Zinc, Copper, Boron and Iron**
-  **Rapid absorption and correction of micronutrients in the plant**
-  **Greater stress tolerance (against drought, frost and pests)**
-  **Supports environmental sustainability**
-  **Improves soil health over time**

**SAFETY:** Avoid contact with skin and eyes. Avoid breathing mist, vapour or spray. Wear overalls, safety shoes, impervious gloves and safety glasses. Use only in well ventilated areas. Wash hands after use. Keep containers closed when not in use.

**FIRE:** If material is involved in a fire use water fog (or if unavailable fine water spray), alcohol resistant foam, standard foam, dry agent (carbon dioxide, dry chemical powder).

**SPILLS & LEAKS:** Clear area of all unprotected personnel. Slippery when spilt. Wear protective equipment. Absorb with sand or soil. Collect and seal in properly labelled drums. Refer to State/Territory Land Waste Management Authority for disposal.

**CAUSES SERIOUS EYE IRRITATION. CAUSES SKIN IRRITATION.**

Element	Value
Standard Application as part of 100ltrs Water	2ltrs-10ltrs
Weight Over Volume (w/v)	%
Phosphorus - P	0.02
Potassium - K	0.02
Sulphur - S	6.3
Carbon - C	0.053
Magnesium - Mg	2.4
Zinc - Zn	5.422
Copper - Cu	0.803
Molybdenum - Mo	0.016
Boron - B	0.106
Iron - Fe	0.001
Fulvic Acid	0.075
Fish Hydrolysate	0.086
Kelp	0.086
Molasses	0.086
Specific Gravity - SG	1.258
pH	2 to 3

**FIRST AID:** If poisoning occurs, contact a Doctor or Poisons Information Centre (Phone Australia 131 126; New Zealand 0800 764 766). If medical advice is needed, have product container or label at hand.

**SWALLOWED:** If swallowed, do NOT induce vomiting. Give a glass of water. Seek medical advice. **EYE:** If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor. **SKIN:** If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If irritation occurs seek medical advice. **INHALED:** Remove from contaminated area. Seek medical advice.
